### Vehicle

2002 Red Ford Escape, OH REG HOK8523

The listed vehicle was observed traveling west on Perkins Ave. approaching Mills St. with the front driver side head light out. A traffic stop was initiated with the vehicle as it turned south onto Old Railroad Street. Contact was made with the driver, Jose Martinez, and he was advised the reason for the stop.

Jose could barely understand what I was saying due to a language barrier. I asked for his identification and he handed me an ID from Honduras. I asked if he was a valid driver and he just shook his head in confusion. He showed me the registration for the vehicle, but said there was no insurance. I asked who's car it was and he said it was his friends. It should be noted, Jose had an APP on his cell phone that translated for better communication between the two of us. I asked him if his friend knew he had his vehicle and through the APP, he said his friend did not know he took the vehicle. I asked if he had a Visa or social security number, but he did not. Jose handed me paperwork through immigration that showed he had a court date, but I did not fully understand what the paperwork was for. I decided Border Patrol should be contacted to try and identify who the driver was.

While waiting for Border Patrol, another vehicle pulled up and a male exited who was identified as Jhaziel Perez, the owner of the vehicle I stopped. Jhaziel did not have any identification on his person, but was able to provide his name, DOB, and a SSN, which matched the information in LEADS for the vehicle I had stopped, and the vehicle he pulled up in. There was still a language barrier between officers and Jhaziel. Border Patrol arrived and spoke with both males at the stop. Officers were informed by Border Patrol both Jhaziel and Jose were good and legal to be in the country, but that Jose did not have a valid drivers license. Jhaziel, however, did have a valid drivers license. Jose was issued a citation for operating a vehicle with no drivers license and was explained by Border Patrol that he is not to be driving without one. They also explained to him the ticket and his court date and time. Jose signed the citation and was provided with his copies. Jhaziel was successfully able to remove both vehicles from the road.
